NES Reliable Rectangular Plastic Folding Tables

NES Reliable Rectangular Plastic Tables are exceptional tables with exceptional prices. These tables are lightweight without being lightweights. They are strong and durable, with the 6-ft rectangular table able to support 1000 lbs of weight evenly distributed across the table, and the 8-ft rectangular table able to support 800 lbs. And, you'll have peace of mind knowing that National Event Supply provides a 2 year warranty against material or manufacturing defects.

Product	Length (in)	Width (in)	Height (in)	Capacity (lbs)	Net Weight (lbs)

8' rect.	96"	30"	29 1/4"	800	39.97

NES Reliable Round Plastic Folding Tables

Like NES Reliable Rectangular Plastic Folding Tables, the NES Reliable Round Blow-Mold Folding Tables are strong and durable. The 48" and 71" round tables are able to support 700 lbs of weight evenly distributed across the table while the 60" round table can support 1000 lbs of weight also evenly distributed across the table. And like all of our NES Reliable products, National Event Supply provides a 2 year warranty against material or manufacturing defects.

NES Reliable Plastic Training Table

The NES Reliable Plastic Folding Training Table features an ultra-smooth top which is perfect for writing on. The tables are ideal for educational purposes, seminars, or anywhere else where a writing surface is required. The tables are 71" long and 19.5" wide with legs at the very edge of the table. We've had numerous requests for a training table, and we believe that it won't disappoint.

Product	Length (in)	Width (in)	Height (in)	Net Weight (lbs)
Training Table	71"	19.5"	29 1/4"	25.13
Card Table	36"	36"	29 1/4"	23.15

NES Reliable Plastic Folding Card Table

Constructed of the same resin and steel as our regular plastic folding tables, the NES Reliable Folding Card Table is designed for strength and durability. This 3 ft (36") square table is very stable and features a straight style folding leg with a snap-lock for added stability. The legs are powder coated grey steel tubing. We are incredibly happy with the build quality of this table and believe that it will meet your needs.

NES Reliable Plastic Folding Serpentine Table

NES Reliable Rectangular Plastic Folding Table with Adjustable Height Legs

The NES Reliable Rectangular Plastic Folding Table with Adjustable Height Legs is an adjustable height table that expands from 29.25 inches to 43 inches in height easily without the need for tools. As on our non-adjustable tables, it is this combination of resin and steel that provides a very strong table top that resists bending. The legs on this table are wishbone-style folding legs with a snap lock for added stability. They are also powder-coated grey, made of telescopic steel tubing and can adjust to 4 different heights. In addition, the feet are adjustable to level the table on uneven ground. NES Reliable Rectangular Plastic Folding Table with Adjustable Height Legs can be used indoors or outdoors, and are perfect for any organization that needs a folding table that can go from normal table height to bar height in seconds.

Product	Length (in)	Width (in)	Height (in)	Net Weight (lbs)
Adjustable Table	72"	30"	29 1/4"	31.79

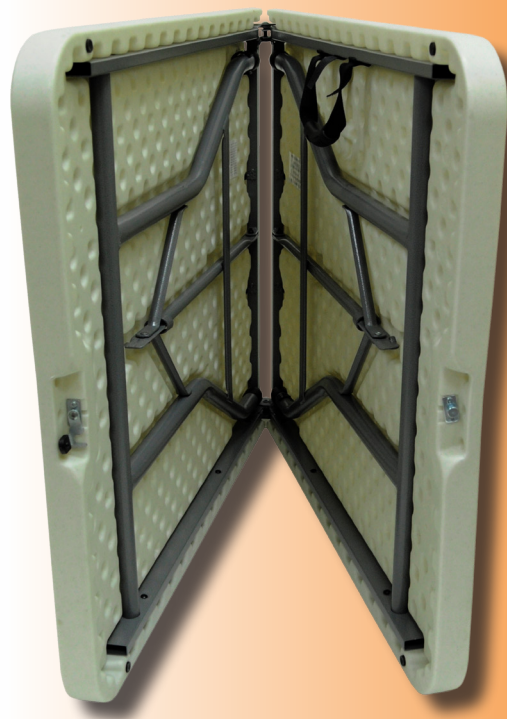

NES Reliable Rectangular Plastic Fold in Half Tables

Like our other NES Reliable Rectangular Plastic Folding Tables, our NES Reliable Rectangular Plastic Fold in Half Tables combine high-strength materials with a low overall weight. The top of an NES Reliable Rectangular Plastic Fold in Half Table is manufactured from a light-grey high-density resin that is reinforced with square steel tubing. Since the tables fold in half they also feature additional tubing across the middle of the table which helps to reduce any strength that may be lost due to the fold. It is this combination of resin and steel that provides a very strong table top that resists bending.

NES Reliable Specialty Tables

Product	Length (in)	Width (in)	Height (in)	Net Weight (lbs)
6ft FIH	72"	30"	29 1/4"	35.21
8ft FIH	96"	30"	29 1/4"	42.67

The legs on an NES Reliable Rectangular Plastic Fold in Half Table are wishbone-style folding legs with a gravity-slide lock for added stability. The legs are powder-coated grey and made of 17 gauge (1.4 mm) steel tubing. NES Reliable Rectangular Plastic Fold in Half Tables can be used indoors or outdoors, and are perfect for any organization that needs a portable yet durable folding table. They also have a conveniently placed handle which is perfect for carrying the table in the folded position.

NES Rectangular Wood Folding Tables

The perfect alternative to our Plastic Folding Tables, NES Rectangular Wood Folding Tables feature a clear-coated 3/4" plywood surface that will last event after event. NES Rectangular Wood Folding Tables also feature upgraded structural supports that run the length of the table to enhance its strength and durability.

Product	Length (in)	Width (in)	Height (in)	Net Weight (lbs)

NES Reliable Collapsible Cocktail Table

NES Reliable Collapsible Cocktail Table

With a 31.5" MDF top and standing 42" Tall, the NES Reliable Collapsible Cocktail Table is a perfect blend of the NES Wood Cocktail Table and the NES Reliable Plastic Folding Cocktail Table. The NES Reliable Collapsible Cocktail Table features white powder coated steel legs to help maintain an attractive appearance over the life of the table. Additionally the two piece design can fold as 1 piece or the top can separate for storage if you are tight on space. The unique and sturdy design allows you to use a twisted spandex table covering like you can on the NES Wood Cocktail Tables while still benefiting from the space saving folding design.

NES Coat Racks

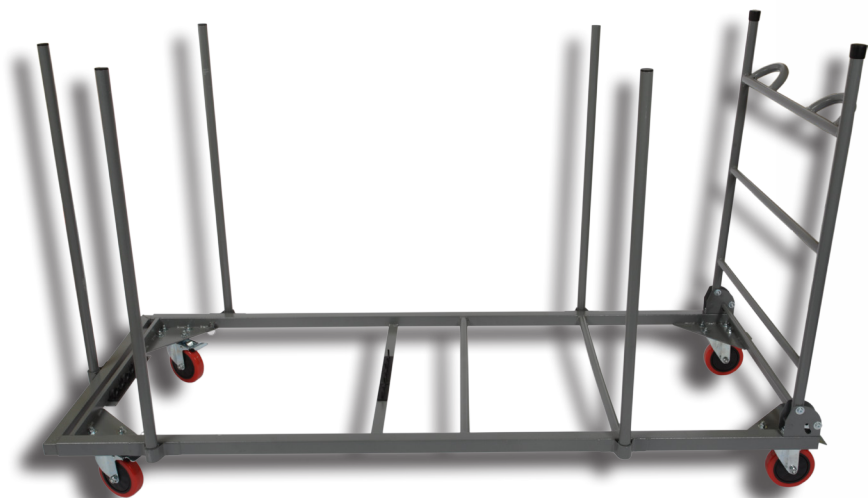

NES Heavy Duty Z Coat Rack

Constructed of 16 gauge steel tubes to reduce overall weight, the NES Heavy-Duty Coat Rack is made for the rental industry. With heavy-duty castors, you'll be able to roll the coat rack from venue to venue, and because it breaks down into four pieces, you'll be able to store it away when it's no longer needed. Capable of holding 500 lbs of clothing.

NES Folding Coat Rack

Constructed of steel tubing to reduce overall weight, the NES Folding Coat Rack is made for the rental industry. With its rubber castors, you'll be able to roll the coat rack where it's needed, and because it folds down, it doesn't take up a lot of space when it's no longer needed. The NES folding Coat Rack can hold up to 200 lbs of clothing on its expandable bar.

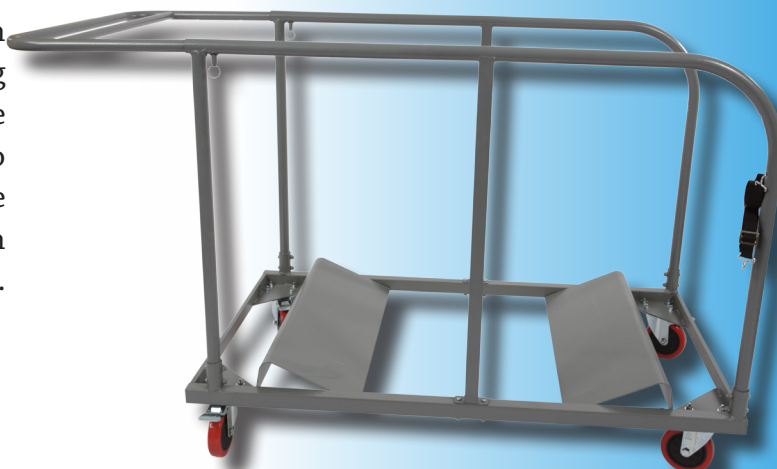

NES Rectangular Table Cart

Capable of holding 6-ft or 8-ft rectangular tables, the NES Rectangular Folding Table Cart makes storing and moving your tables a snap. Constructed of grey powder-coated steel, the NES Rectangular Folding Table Cart is durable and easy to handle. With features like removable poles,

an expandable base and four independent swivel wheels, the NES Rectangular Folding Table Cart holds 12 to 18 tables safely between the 36 inch tall removable poles. When it is not in use, the handle folds down and the poles snap into their holders to reduce the amount of space the cart requires. This cart will fit through doors that are 33" wide or wider.

NES Round Table Cart

Whether you have 4, 5, or 6 foot round tables, the NES Round Table Cart can make the storage and movement of your tables a breeze. Constructed of grey powder-coated steel, the NES Round Table Cart is durable and easy to handle. With its expandable handle and four independent, lockable, swivel wheels, you can easily maneuver a full cart of tables with minimal space. Capable of fitting through a standard-size door, the NES Round Table Cart holds 10 to 15 tables safely in the 30 inch wide storage area. This cart will fit through doors that are 33" wide or wider.

NES Reliable Plastic Folding Chairs

Our NES Reliable Plastic Folding Chairs are constructed of pure virgin plastic with high-tensile steel frames. The pure virgin plastic allows the seat and back to give a little when they are stressed. The high-tensile steel frames help ensure that our NES Folding Plastic Chairs can withstand a 225 lb drop test from 6 inches without failing. With all the work we have done to ensure the durability of our chairs, we are happy to provide a 2 year warranty against any manufacturing or material defects.

NES Reliable Blow-Mold Folding Chair

Crafted of the same resin and steel as our NES Reliable Round and Rectangular Plastic Folding Tables, the NES Reliable Blow-Mold Folding Chair is designed to handle larger loads. This chair gains its strength from both the grey powder-coated steel tubing frame and the high-density resin that comprises the seat and back. In addition, there are two steel support bars for added strength. Acting together, these components provide a chair that has a drop test rating of 275 lbs, higher than most other plastic chairs on the market. NES Reliable Blow-Mold Folding Chairs come with a 2 year warranty against material or manufacturing defects.

NES Reliable Blow-Mold Stacking Chair

The NES Reliable Blow-Mold Stacking Chairs are perfect for schools, community centres, and other locations looking for a very strong and very durable chair. These chairs are constructed of the same high-end materials as our commercial-grade blow-mold folding tables and are designed to hold the heaviest load. Acting together, these components provide a chair that has a drop test rating of 275 lbs, higher than most other plastic chairs on the market. When the chairs are no longer needed, they easily stack away. NES Reliable Blow-Mold Stacking Chairs come with a 2 year warranty against material or manufacturing defects.

NES Reliable Banquet Chairs

The NES Reliable Banquet Chairs are strong and sturdy with a base made of 7/8" x 18" gauge steel tube and the back made of 3/4" x 16" gauge steel tube. The frames come powder-coated as standard with a variety of colours to chose from. Additionally, they feature commercial grade fabric or vinyl seating surfaces. Made in North America, these chairs come standard with a 5 year warranty on the frame and a 1 year warranty on the fabric or vinyl.

Replacement NES Reliable Resin Chair Seat

We also have another warehouse in New Westminster, British Columbia. The address for this location is C/O Locher Evers International 456 Humber Place, Annacis Business Park, New Minster, BC, V3M 6A5.

Our Indiana warehouse is located in Indianapolis, Indiana, USA. C/O Merchandise Warehouse, 1414S. West Street, 46225.

What are your hours of operation?

National Event Supply is open 9am to 5pm (Eastern Time), Monday to Friday. We are closed Saturdays and Sundays as well as on major holidays. If in doubt, please don't hesitate to give us a call any time of day or night 905-795-1667 or Toll Free: 1-800-827-8953 and always feel free to leave us a message.

How do I place an order?

There are a number of ways in which you can order from National Event Supply. You can send an email to info@nationaleventsupply.com, send a fax to 905-795-8845, or give us a call at 905-795-1667 or Toll Free: 1-800-827-8953. One of our sales representatives will be happy to assist you with your purchase.

What methods of payment do you accept?

At National Event Supply, we do our best to accept as many payment forms as possible. We currently accept Visa, MasterCard, Debit (showroom pick-up only), cheque, Wire transfer, certified cheque and cash.

Can we pick up our order?

Yes, National Event Supply welcomes customer pickups from our warehouse in Mississauga, ON. You may also pick-up your order at our New Westminster warehouse and our Indianapolis warehouse. However, please allow 24hrs notice for these 2 locations.

Do you ship products?

Absolutely! National Event Supply regularly ships products from coast to coast in Canada and the United States with the help of our many shipping partners. We have shipped to locations ranging from Iqaluit, Nunavut to Mount Pearl, Newfoundland to Deerfield Beach, Florida to Nappa, California to Campbell River, British Columbia and all points in between. Please feel free to give us a call to find out if we can ship to you!

How much does shipping cost?

At National Event Supply we take pride in providing low, economical shipping rates across Canada and the United States. Shipping rates do however vary with location, order quantity and the size, shape and weight of the products. Our expert warehouse staff will happily find the best rate available to us for your specific order. We work closely with the small package services, national, regional and local delivery services to provide you with low price competitive shipping cost.

How do I track my shipment?

The easiest way to track your shipment is to simply ask your sales representative. They will gladly supply you with the selected carrier and your tracking number, necessary to track your shipment.

How long does it take for my shipment to leave your warehouse?

We work hard to be as responsive as possible for all orders. Orders that are confirmed before noon will usually ship the same day. Orders after this time may still ship the same day but will usually ship the next day.

How long will it take for my shipment to arrive?

Shipping times vary with location, ranging from same day to one week for delivery. Feel free to ask your sales representative how long it will take for your shipment to arrive. Also, please note that delays can occur on route at any time due to extreme weather conditions. While these are minimal and uncommon, they do occur (more so during the winter months) so we always recommend ordering well before you need the product.

Do you sell to the public?

Yes, National Event Supply is open to the public. However, please call ahead for an appointment.

Do you rent your products?

No, National Event Supply is sales only. If you are having any problems finding a rental company in your area, feel free to give us a call and we will do our best to give you a recommendation.

Warranty Information

National Event Supply offers original user a 2 (two) year warranty against all manufacturing defects in material and workmanship from date of purchase on select products (as noted). If defective, National Event Supply will, at its opinion, repair or replace the defective product. This warranty does not apply to damage resulting from misuse, abuse or neglect. Authorization for return and/or repairs is required prior to returning the product by contacting National Event Supply within the expressed warranty period. This warranty gives you specific rights and you may also have other rights which vary by jurisdiction.

Orders are accepted under the express agreement that under no circumstances National Event Supply (the seller) be liable for any incidental or consequential damages, or for any other loss, damage or expense of any kind, including loss of profits, arising in connection with the order or with the use or inability to use the seller's products furnished under the order. Seller's maximum liability shall not exceed and buyer's remedy is limited to either (i) repair or replacement of the defective part or product, or at seller's option (ii) return of the product and refund of the purchase price. Such remedy shall be the buyer's entire exclusive remedy.
